

Fellow Citizens:

I know we have advertised the ceremony, but **I am sending a personal invitation for you to attend tomorrow evening's 6:00 p.m. presentation to the Westworth Village Police Department, as it receives the prestigious "Best Practices" designation from the Texas Police Chiefs Association.**

The event will be held at city hall.

Our citizens are justifiably proud of our outstanding department, but tomorrow night's presentation is certifiable evidence of our department's excellence.

Achieving the coveted Best Practices designation is the culmination of six-and-one-half years' hard work by Chief Reaves, our senior officers, and the entire police staff, in meeting **172** objective standards of excellence, which resulted from thousands of pages of documents being submitted and reviewed by the Texas Police Chiefs Association.

This will be a special and memorable event, with all our officers, and visiting officers from other jurisdictions, in their dress blue uniforms for the formal delivery of the Best Practices certification. After the short ceremony, we will adjourn to a come-and-go reception in the community room with cake, punch, and photographs before we begin our regular council meeting at 7:00 p.m.

I hope you can join me to observe your outstanding police department honored with this superior level of accreditation.

Regards to all.
